

Healing Retreat

"Allowing Jesus to Touch Us Within"

March 9-10, 2012

Fr. Ron Smith and Judy Hummer will focus attention on inner healing, that is, Jesus healing us from life's hurts and losses. We will recall the importance of forgiveness and letting go in the healing process and give opportunity for the healing of memories. We will include Holy Eucharist as the great source of healing on Saturday afternoon. Opportunity to pray with individuals will be provided.

Presented by Fr. Ron Smith, OFM Cap., who became a capuchin in 1956 and ordained in 1964. He learned in a special way about healing through Sacraments and prayer at the Franciscan University of Steubenville, Ohio. He has been involved in the healing ministry for many years. He served at St. Anthony's from 1986-1995. Judy has been involved in the Catholic Charismatic Renewal since 1984, and for several years has joined a prayer team that prays with those who ask for healing. Judy has lived with the bondages of emotional and physical pain. After experiencing healing on many levels, her greatest desire is to bring the healing touch of Jesus to others. She and her husband John have been married for 35 years, and have 3 adult children and several grandchildren.

Begins with 7:00 p.m. supper on Friday and concludes with Eucharist at 4:00 p.m. on Saturday
