Valentine's Day can be a painful time of the year for those experiencing the loss of being Separated or Divorced. This time of year's focus is on couples and love forever. Our dreams are shattered when our relationship with a spouse has been broken. One can feel challenged in other relationships as well, including those with God and the church. Despite these wounds, one is still a member of the human family and the family of God. All faiths are welcome.

Presented by Fr. Ron Smith, OFM Cap. and 3 individuals who have experienced separation and divorce.
