## *We are a Franciscan Retreat Center*

St. Francis is often pictured with animals at his side, for he found the presence of God especially in the beauty of creation.

Find that beauty here, on 45 acres of woodland paths, gardens and a pond in the heart of rolling Wisconsin farmland, nestled on the banks of the Rib River.

You can walk amidst deer and other wildlife and lift up your heart to God.

*“We have been called to heal wounds,  
to gather together what has fallen apart  
and to bring home those who  
have lost their way.”*

*St. Francis of Assisi*
