

5-Day Summer Preached Retreat  
**“TO PRAY AS JESUS PRAYED”**

June 20-25

(Retreat begins with 5:30 supper on June 20 and ends with the noon meal on June 25)

"Lord, teach us to pray!" Day after day, Peter and the disciples saw and sometimes heard Jesus praying. They saw his face glow from these encounters. They felt the strength and power these times gave him. How could they enter that same world and come to know that same peace in the midst of their storms? 'Lord teach us to pray!' We feel that same desire in our hearts. We want to pray; we've tried to pray, but feel there's still more waiting for us. This retreat builds on that desire and opens up all we can learn from Jesus' own example and teaching.

*Come to St. Anthony Spirituality Center at the most beautiful time of the year! To enrich your prayer, enjoy walking our 45 wooded acres and looking at our gardens. Retreat includes a private room, Eucharist and 3 meals each day. Spiritual direction is available.*
