For young adults led by young adults

“A Search for a Meaningful Life”

Follow your bliss said Joseph Campbell, but what does that really mean? How do we find work that also feeds our passion? And what does it mean to be passionate?

Join other young adults for a weekend gathering as we explore the many choices that face our careers, relationships and faith.

For Young Adults in their 20's and 30's.

(Have kids? Know they are welcome. Just call us in advance so we can talk about your needs. There is no additional charge for kids under 6 yrs old).
