

# Sacred Architecture Retreat

## Spirituality and Sacred Architecture

### June 13-14, 2008

Have you ever experienced a connection between buildings and God? Just ask thousands of people who come to St. Anthony's! Something about its architecture and its grounds moves their hearts, drawing them closer to God. St. Anthony's itself will be our prime example, but we will also be visiting the lovely St. Mary's Catholic Church in Marathon, with its beautiful architecture and resulting spirituality. The presenter has long been intrigued by this important connection. Presented by Eric Wheeler, well-known architectural and heritage tourism consultant, and by Fr. Dan Crosby, Capuchin director of St. Anthony's.

Begins with 6:00 supper Friday and concludes with supper on Saturday. Offering: \$110.00.  
Saturday session only (9:00 a.m.–6:00 p.m. noon meal and supper included. Offering: \$70.00.  
Optional stay overnight Saturday and Sunday breakfast. Offering: \$150.00.
